The Treasurer's report (attached) shows a balance of \$1,616.72.

Under Committee reports:

Membership - three feelers are out to members of the Latino community,

Communications - publicity for today's Teasley presentation included two media outlets - the Two River Times and the Greater Media group.

There was no report from Incident Response and Reporting or Resource Development.

Under Unfinished Business, our general request for \$500 for MOSAIC was denied by the County but will be reconsidered if a specific need is presented.

Under New Business, in response to a request from the Monmouth County Planning Board, Chair Jeff Delaney designated Ron Sopenoff to represent the Commission on their citizens committee.

Sherri West proposed that we sponsor a program in conjunction with CCHANGE's Big Read this fall. It was suggested that she reach out to Tom Huth about holding the Prosecutor's Office presentation, scheduled for October, in December instead, and prepare to discuss her proposal at the July Executive Committee meeting.

The meeting was adjourned at 3:45 PM to make way for the Teasley presentation (program attached).
